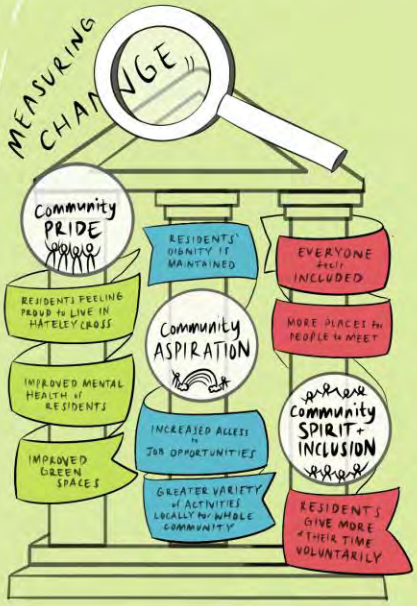
SHOWING the CHANGES

VISION for HATELEY CROSS



HOW WE'RE DOING

1 We are building aspirations + a stronger community spirit, much improved on our starting point in 2014

The hub is making a massive difference

2 People are friendlier, there is a good buzz

3 The trim trail, play equipment, goal posts + basketball hoop have improved appreciation of green spaces.

Many people now do litter picking

4 Recent activities by navigators have improved opportunities for learning and training.

5 Work with Young Voices has increased participation by young people in community activities

6 We have created many more opportunities for families to come together, and we know children are playing outside
